available to Stream online, however like the WB versions are restricted to regions that have access to the networks' websites, cable providers in the US can opt out of The CW and continue to stream the show on Hulu or HBO Go. After the show aired its original run, the shows aired on The CW have since been made available for download on the official website. In addition, many episodes from past seasons can be seen on The CW's website. Amazon Video Amazon began streaming the show to its Prime subscribers in late January 2019. On April 4, 2019, Amazon announced that it would not renew the series. Reception Critical response Rotten Tomatoes has a rating of 50%, based on a sample of 27 reviews, with an average rating of 5.1/10. The site's consensus reads: "The series suffers from a predictable script and mediocre performances, but viewers in search of a pure guilty pleasure will appreciate the half-hour anthology." Metacritic reports a score of 45 out of 100, based on 4 critics, indicating "mixed or average reviews".
