

## AWESOME TIPS ABOUT AFFORDABLE LODGES IN VICTORIA

Whether you're a first-timer or a seasoned pro, Victoria Falls is one of the most incredible places in all of Africa. It's got everything: adventure, relaxation, and some seriously breathtaking views.

If you're looking for an adrenaline rush, there are plenty of ways to get it at Victoria Falls. You can swim in the famous falls, go on night safaris to observe animals, or take a helicopter ride over the falls. Listed below are some of the best ways to explore the great outdoors.

## **BUNGEE JUMPING:**

The Victoria Falls are one of the seven natural wonders of the world for a reason: they're absolutely incredible. If you want to see them from above, try bungee jumping from the bridge that crosses over the falls. You'll get some amazing views and have a story (and video) to share!

## **CANOEING**

If you'd like a more leisurely experience, try canoeing down one of the many rivers around Victoria Falls. There are several companies that offer trips through local villages and reveal more about life in this region than just seeing the famous waterfall would allow—and they're reasonably priced!

## **WILDLIFE VIEWING**

If you come to Zimbabwe and don't go on safari, did you really come at all? Travel in an open-sided 4WD vehicle through Zambezi National Park for a chance to spot elephants, giraffes, zebras, and other animals. Take a night time safari to see lions, hyenas, leopards, and other nocturnal creatures.

## HORSEBACK RIDING:

This is a great way to get out into the countryside. You'll be able to see some local wildlife and enjoy the stunning scenery. A horseback ride can last anywhere from 30 minutes to 2 hours.

The price will depend on how long your ride is and what kind of equipment you use (if any). If you have kids with you, this activity is particularly fun because they can ride along with you!

## CAMPING:

Camping at Chobe National Park is a great way to experience the African bush by day and at night. Typical itineraries include a river cruise and dinner under the stars, in addition to game drives to spot big cats, wild dogs, elephants, and water buffalos.
