- **Washing:** Machine wash your [Corteiz](#) Jogginghose in cold water to preserve the fabric and color. Avoid using harsh detergents that can damage the material. Wash them inside out to prevent the logo and fabric from getting damaged.
- **Drying:** For best results, air dry your joggers. Lay them flat on a surface or hang them up to dry. If you must use a dryer, set it to a low heat to avoid shrinking or damaging the fabric.
- **Ironing:** These joggers are made to stay wrinkle-free, but if you do need to iron them, be sure to use the lowest heat setting and avoid direct contact with the logo.

Warnings and Tips

While your Corteiz Jogginghose is built to last, here are a few tips and warnings to ensure they stay in top condition:

- Avoid wearing them for intense physical activities where they may get caught or torn.
- Be mindful of stains – act fast to clean spills, especially if you're wearing them at a festival or event.
- If you're mixing your joggers with other clothes in the wash, make sure to separate them by color to prevent any dye transfer.
